# Consulting One Referral Program

Be rewarded for thinking of us

Consulting One aims to be the #1 Managed Service Provider in Regional QLD. We've worked hard to build great systems and processes to deliver an exceptional Support Desk, Field Services and Professional Services model for managing the technology needs of our customers.

## What's all this about?

Our customers, partners and friends regularly refer opportunities to us. We appreciate the effort and time that goes into that, so our referral program aims to provide rewards for thinking about us and recommending us.

- Simple registration method to let us know about the referral
- We can make contact (at your request only) or work with you to present the solution
- Easy terms and conditions because we hate the fine print too

## What are the Main Benefits?

- Get free stuff for you and your referral for recurring arrangements as well as once-off services or project work
- Your referral will end up with the best Managed Service Provider for at least two towns over
